Mike-

Sorry I didn't get back to you on Friday. On-call would be great, but don't hesitate to contact me if I'm needed. I'm guessing that you will know fairly early this morning (let's say by 10:30ish), so calling me at the lab (413-545-2607) works well. If you don't know until after noon, though, it would be better to call me on my cell [REDACTED] Thanks.

Sonja,

Thank you very much for the lab notes. They were received. This matter may not go to trial. It is fine if you would like to be on call that morning. If we believe it will actually "go," you will not be called to the stand until the afternoon anyways.

Please contact me if you have any questions. Thank you again for your help with this matter.

Best regards,

Mike McGee

Mike-

I hope you received my lab notes for the [REDACTED] case scheduled for trial on October 17th. Also, you made it pretty clear that you want me there by 8:45 in the morning, which is fine, but I am curious of what the likelihood is as to whether it will actually go to trial that day. I will be travelling from the Amherst area that morning, so I'm trying to plan my day accordingly. Thank you in advance for your attention to this matter.
